Water Shutoff Notification - Magic Lake Estates

Victoria, BC- Capital Regional District (CRD) Operations staff are actively repairing a water main leak in the Magic Lake Estates Water Service Area. Some residents may experience a loss of water pressure or be without water for a period.

It is also important to note that once work has been completed and services restored, you may experience intermittent discoloured water at your tap for short durations. Should this occur, continue to run your water until it clears. The water remains safe to consume. This issue is anticipated to be resolved before 6pm today.
