NOTICE TO LOCAL AREA RESIDENTS BEDDIS WATER SERVICE AREA

WATER INTERRUPTION

On Tuesday, March 20, 2018 and Thursday, March 22, 2018, between the hours of 8am and 4pm, the Capital Regional District will be carrying out annual maintenance and flushing of the water distribution system. During this maintenance, you may experience low water pressure and/or periods of discoloured water at your tap. Please refer to the Water Interruption Influenced Area Map attached.

The areas likely to be influenced by the service interruption are:

- Beddis Road
- Creekside Drive
- Cusheon Lake Road
- Cusheon Place
- Hillview Place
- Lautman Drive
- Lionel Crescent
- Miles Avenue
- Samuel Crescent
- Sky Valley Road
- Wildwood Drive

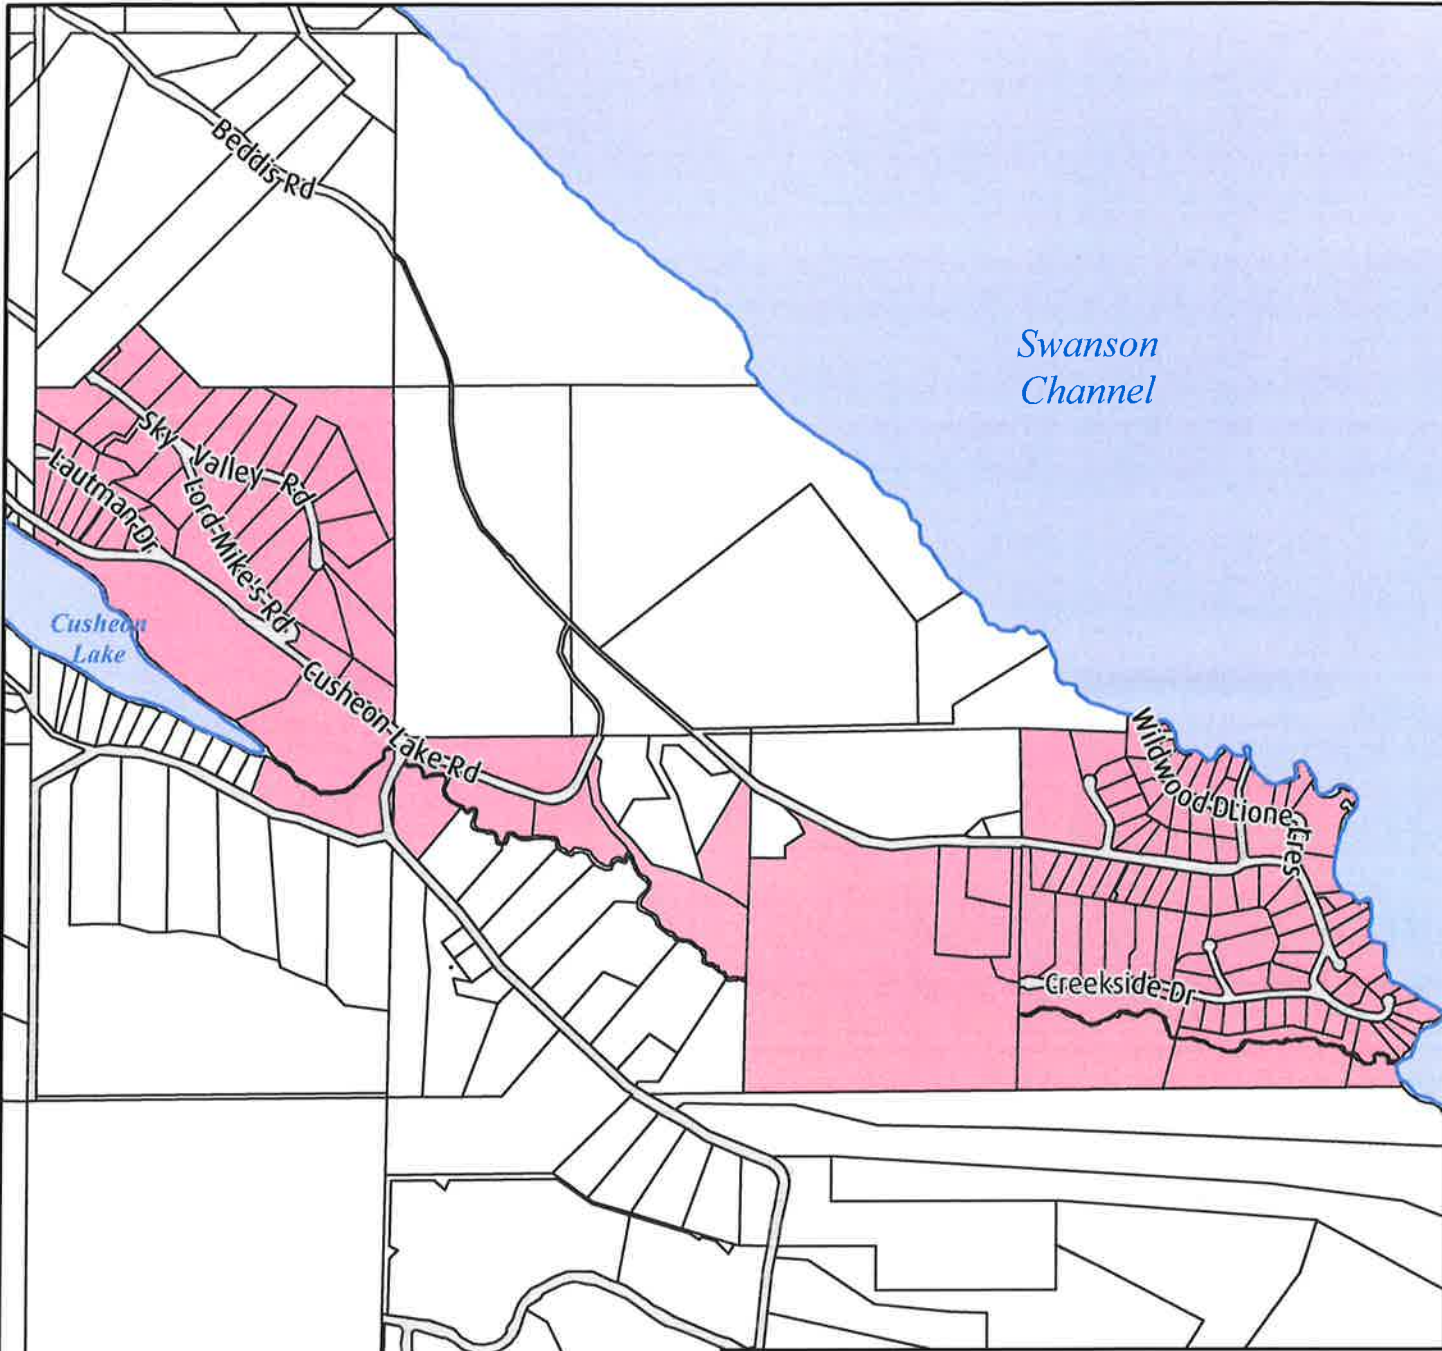

As water to your property could be impacted during this period, residents may want to set aside some water to meet their individual needs during this time.

It is also important to note that after the work is completed and water service is restored, you may experience intermittent brown water at your tap for short durations. Should this occur, continue to run your water until it clears.

Thank you for your patience and understanding.
