NOTICE TO LOCAL AREA RESIDENTS HIGHLAND WATER SERVICE AREA

WATER INTERRUPTION

On Monday, May 7, 2018 between the hours of 8am and 8pm, the Capital Regional District will be carrying out emergency repair work on the water distribution system. During this time, some residents may experience a loss of water pressure and/or be without water for a period of time. Please refer to the Water Interruption Influenced Area Map attached.

The areas likely to be influenced by the service interruption are:

Ensilwood Road
Fairway Crescent
Fairway Drive
Fer de Lance Road
Le Page Road

Maliview Road
North End Road
Walker's Hook Road
Westcott Road
Whims Road

As water to your property could be impacted during this period, residents may want to set aside some water to meet their individual needs during this time.

It is also important to note that after the work is completed and water service is restored, you may experience intermittent brown water at your tap for short durations. Should this occur, continue to run your water until it clears.

Thank you for your patience and understanding.
