**NOTICE TO LOCAL AREA RESIDENTS  
FULFORD  
WATER SERVICE AREA**

**WATER INTERRUPTION**

On Thursday, November 15, 2018 between the hours of 8:00 am and 8:00 pm, the Capital Regional District will be carrying out repair work on the water distribution system. During this work, you may experience a loss of water pressure and/or be without water for a period of time. Please refer to the Water Interruption Influenced Area Map attached.

The areas likely to be influenced by the service interruption are:

- Fulford-Ganges Road
- Hilltop Road
- Morningside Road, from 191 to 280
- Orchard Road
- Sunnyside Drive
- Tahouney Road

As water to your property could be impacted during this period, residents may want to set aside some water to meet their individual needs during this time.

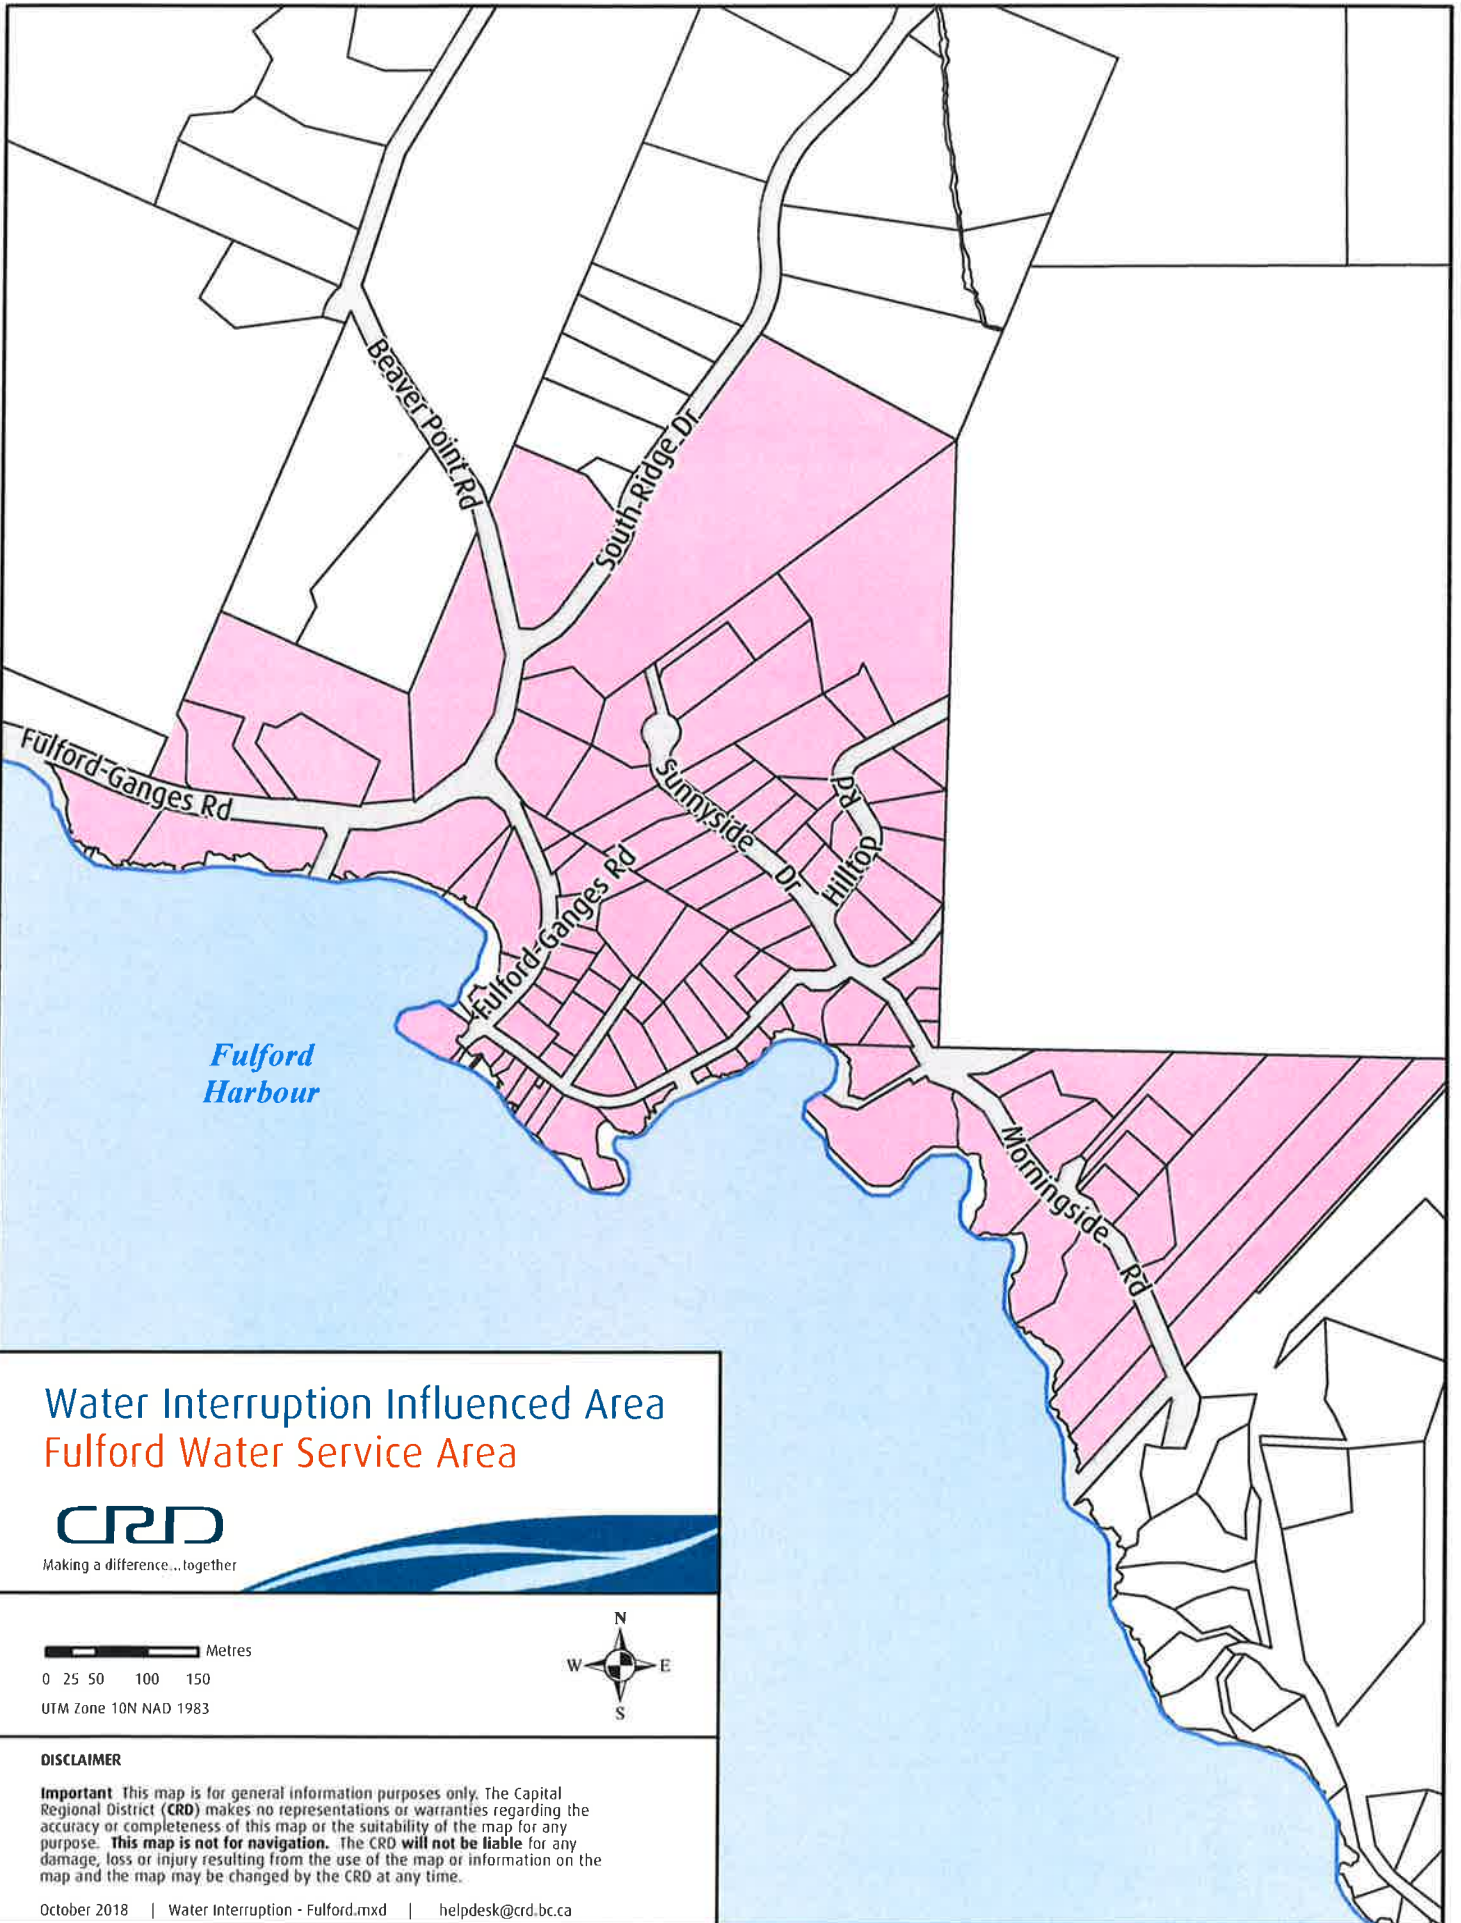

It is also important to note that after the work is completed and water service is restored, you may experience intermittent brown water at your tap for short durations. Should this occur, continue to run your water until it clears.

***Thank you for your patience and understanding.***

***Questions? Please call***
