

WATER INTERRUPTION

NOTICE TO LOCAL AREA RESIDENTS FULFORD WATER DISTRICT

On Tuesday, November 8, 2016 between the hours of 5pm and 12am, North Salt Spring Water Works will be carrying out necessary replacement work to a service connection on Fulford-Ganges Road. In order to complete the work, it will be necessary to turn off the water and interrupt water service to a portion of the community. Please refer to the Water Interruption Influenced Area Map.

The areas likely to be influenced by the service interruption are:

- Fulford-Ganges Road

As water to your property will be shut off during this period, residents may want to set aside some water to meet their individual needs during this time.

It is also important to note that after the work is completed and water service is restored, you may experience intermittent brown water at your tap for short durations. Should this occur, continue to run your water until it clears.

Thank you for your patience and understanding.
