

Skana Water Service

WATER CONSERVATION NOTICE

Residents are encouraged to adopt the following **Water Conservation** practices:

- No watering of lawns.
- Limited watering of trees, shrubs and vegetables with container or hose with shut-off valve.
- No washing of outdoor surfaces such as driveways, sidewalks and decks.
- Wash vehicles and boats with a container.

This is due to current drought conditions and your drinking water system's sensitive water source. Thank you for doing your part to conserve the community's water supply during the summer and fall periods. Every drop counts!
