

## Lyall Harbour Boot Cove Water Service

# WATER CONSERVATION NOTICE

The current drought conditions and your drinking water system's sensitive water source requires us all to take water conservation action. Thank you for doing your part to conserve the community's water supply during the summer and fall periods. Every drop counts!

Residents are encouraged to adopt the following **Water Conservation** practices:

- Ensure water service is shut-off when property is uninhabited for a period of time.
- Limited watering of trees, shrubs and vegetables with container, hose with shut-off valve, or micro-irrigation system.
- No washing of outdoor surfaces such as driveways, sidewalks and decks.
- Wash vehicles and boats with a container or hose with shut-off valve.

**For water conservation tips and for more information, please visit [www.crd.bc.ca/water](http://www.crd.bc.ca/water) or phone 1.250.360.3600**
