WATER SERVICE AREA**

WATER SYSTEM MAINTENANCE

On May 3 to 7, 2021, between the hours of 8:00 am and 8:00 pm, the Capital Regional District will be conducting annual maintenance and flushing of the water distribution system.

During this maintenance, you may experience low water pressure and/or periods of discoloured water at your tap. Please refer to the Water Interruption Influenced Area Map attached.

The areas likely to be influenced by the service interruption are:

Highland Water Service Area – May 3, 4, & 5, 2021

Ensilwood Road	Lawnhill Drive	South Bank Drive
Fairway Crescent	Le Page Road	Trincomali Heights
Fairway Drive	Maliview Road	Walker’s Hook Road
Fer de Lance Road	North End Road	Westcott Road
		Whims Road

Fernwood Water Service Area – May 5, 6, & 7, 2021

Fernwood Road	Langs Road	North Beach Road
Howard Road	Maycock Road	

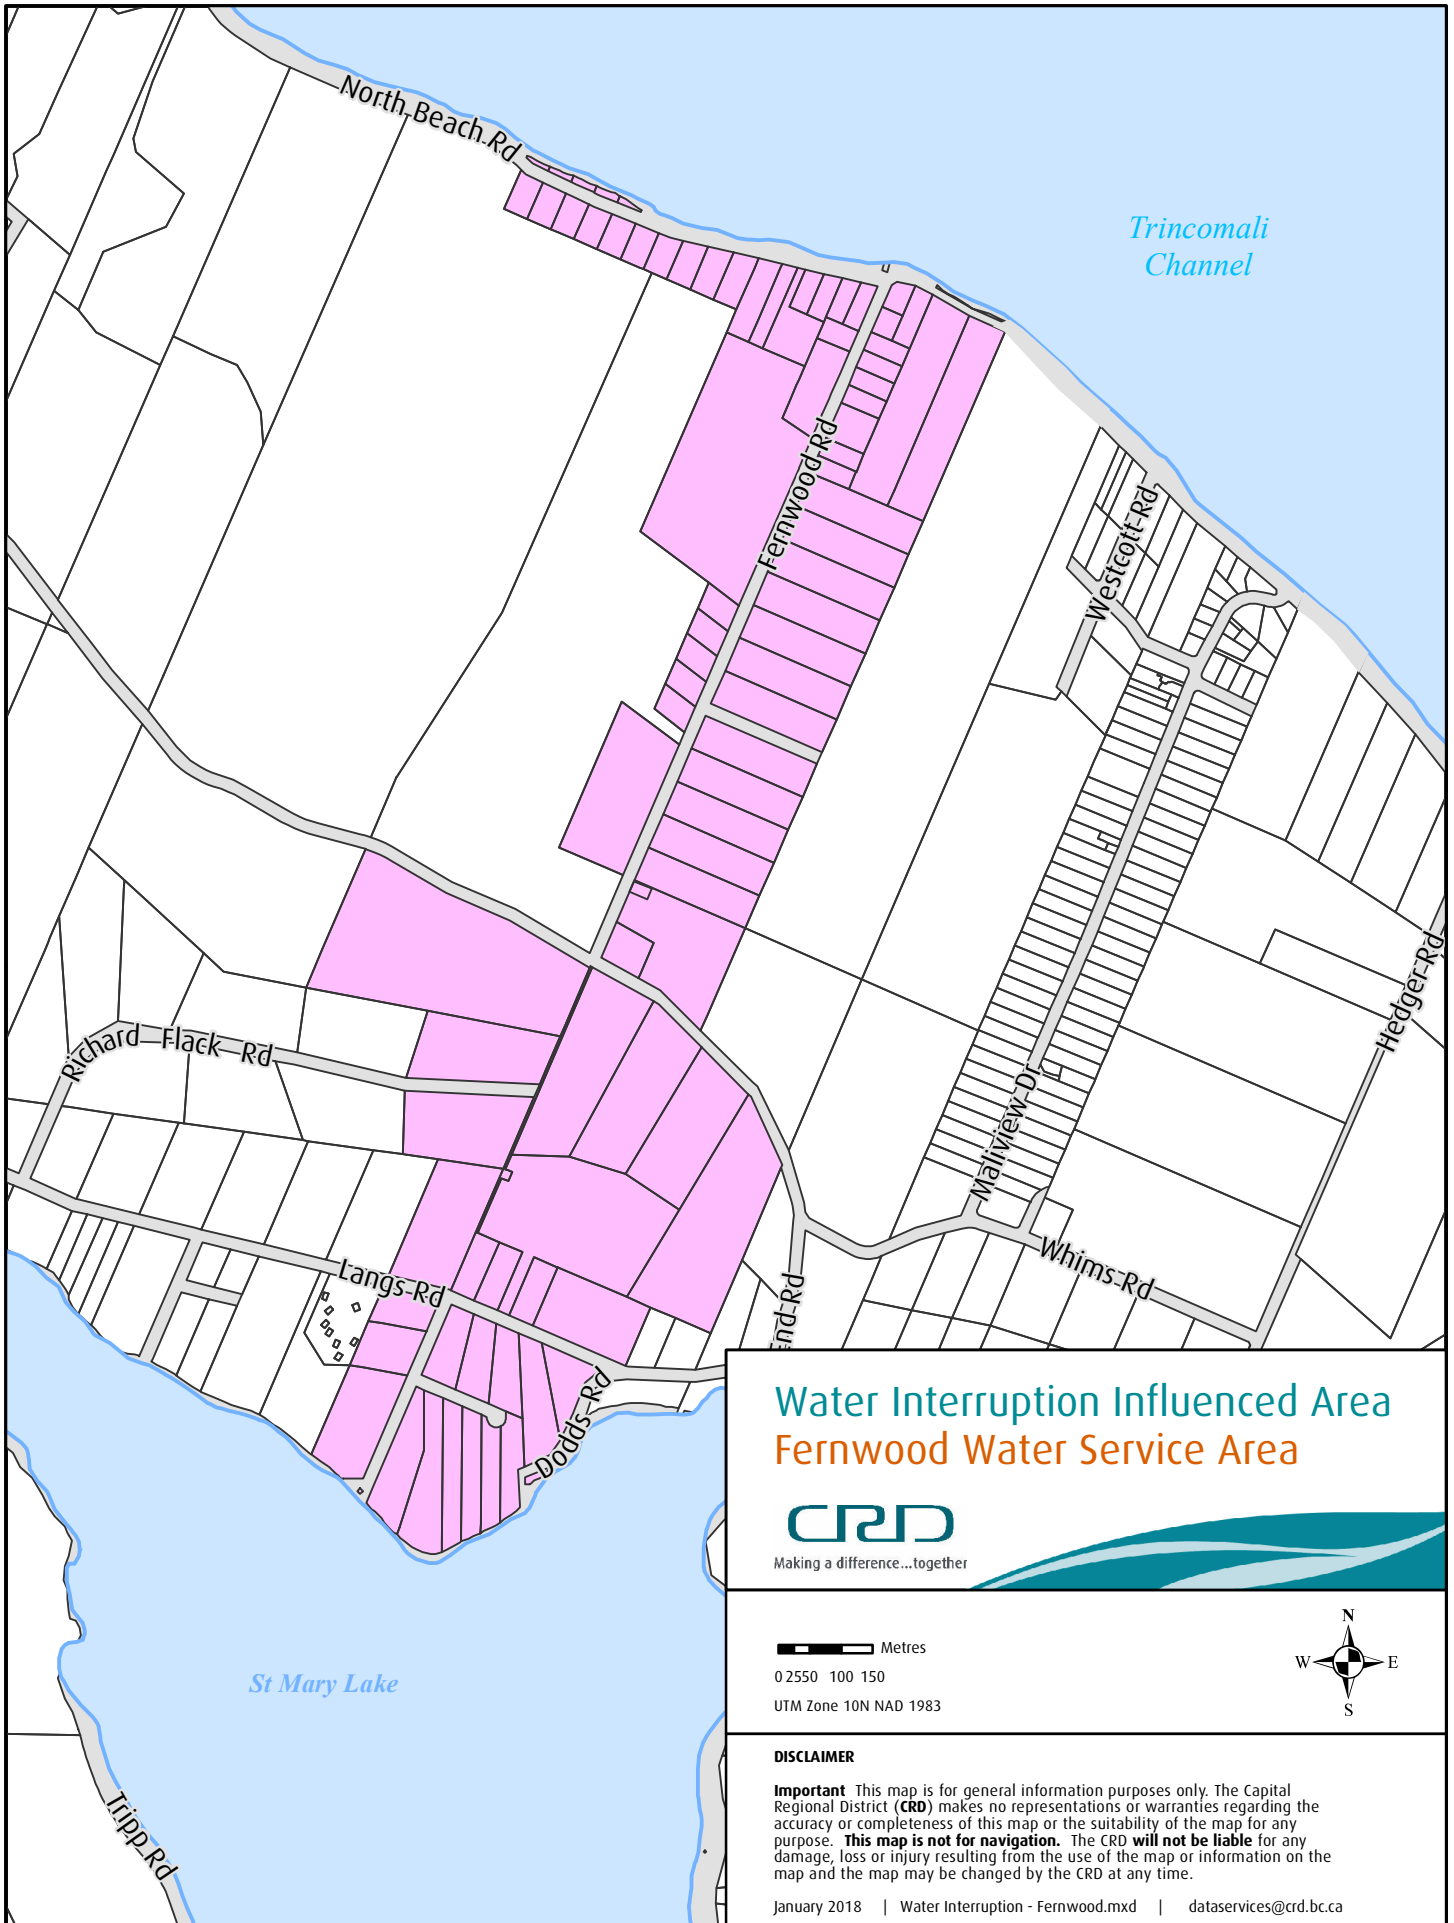

Intermittent, short duration service interruptions may occur without warning. Residents are encouraged to store containers of water for handwashing during these periods.

It is also important to note that after the work is completed and water service is restored, you may experience intermittent brown water at your tap for short durations. Should this occur, continue to run your water until it clears.

Thank you for your patience and understanding.
